DONATION GUIDELINES

At the Tanglewood Auto Wash, we handle all requests for community events sponsorships and/or donations right in our store. Just speak to the store manager and he/she will be glad to get you the help you need.

- Tanglewood Auto Wash can only donate to non-profit (501c3) organizations with a valid, current tax ID number.
- All donations are to be arranged with the store manager at the Tanglewood Auto Wash.
- Donations are limited to two per year, per organization from Tanglewood Auto Wash.

The following information is necessary for a donation to be considered:

- A written request, on the non-profit group's letterhead, delivered to the store by your organization's representative, explaining the nature of the organization, why the donation is needed and what kind of donation is being requested.
- A valid tax ID number should also be referenced on the written request.
- Written requests should be made at least two weeks prior to the date the donation is needed.
- Please understand that because we receive so many requests, we are not able to accommodate every organization, but we do make every effort to extend donations to a broad spectrum of community groups.

Thank you,

Your Friends at the Tanglewood Auto Wash
